

2017 BBQ SEASON

The Red BBQ Company is a full service barbecue company based in Milton, Ontario. We believe in providing our clients with high quality meat entrees, not processed meats full of fillers and preservatives for their barbecue meals. Along with providing clients with better quality at an affordable price, we also strive to be environmentally friendly while at your site. We believe in using only bio-degradable and/or recyclable products to serve you and your guests.

The Red BBQ Company can provide you with a full range of service options, from a simple two hour staff barbecue at your factory to a full service tent event at your country estate. We would be happy to help customize any event from rentals to décor.
